WELCOME to Restaurant Feuer & Flamme

Enjoy our wide selection of burgers, pizzas, finger food, crisp salads, or our unique dishes like the „**Hangover.**“ Our various steak options **cooked on a hot stone** are an absolute highlight.

The extensive selection of drinks can be found in the separate drinks menu.

On our Facebook page you will always find the latest news and event information about our events such as **barbecue evenings, Halloween parties** and **much more.**

WILD. Original. Authentic.

Our prime cuts of red deer from Kaltenbach come from the wild.

The Kaltenbach hunting community cares for the forest and its inhabitants. Our venison is therefore regional, sustainable, and sourced without any animal husbandry in game reserves. Straight from nature to your table. The meat impresses with its fine texture, aromatic flavor, and natural purity.

A piece of home – powerful, delicate and honest in its origin!

Steaks served on the Hot Stone

Grilling takes place right at your table! The hot stone is pre-heated in the oven to a temperature of 350 degrees Celsius. The heat is stored in the stone, and the continuous and even distribution of heat guarantees low-fat cooking and a perfect grilling experience.
